The Honorable Elain L. Chao
Secretary of the Department of Transportation

In Re: BUILD Grant Application to DOT
WAR-63 Priority Segment in Warren County, Ohio
Warren County Transportation Improvement District

Dear Madam Secretary:

This letter is to express the Warren County Board of County Commissioner's support and financial commitment for the WAR-63 priority project BUILD Grant Application submitted by the Warren County Transportation Improvement District.

Warren County takes pride in its fiscal responsibility and ability to serve its citizens well. Because this project involves a heavily travelled state highway vital to our commerce now and into the future, we seek what we believe is a modest request of 50% match. If the BUILD Grant is awarded, this Board of County Commissioners commits to contributing \$12,500,000 of funds to advance this project.

We look forward to continuing to work closely with the Warren County TID to achieve the goals of the BUILD program and provide an efficient highway section that improves safety and access for commerce.

Sincerely,

WARREN COUNTY COMMISSIONERS

Shannon Jones, President

David G. Young, Vice President
